

Solid Crystal Arch Top Clock

This clear crystal quartz clock is a beautiful gift to give for a special anniversary for family or friends, or as an heirloom piece to give a new bride and groom! It would be an elegant tribute to give a retiring company president or CEO who has led the company for many years. The arched design, the crystal clear clock face, and the transparent glass revealing the precision clockworks, all combine to make a very stunning accent piece for a home or office. The perfect size to fit on a mantle or table at home, or on an office bookshelf or desk. Presented in an attractive gift box that's ready for your family, friend, or company VIP. You will be thrilled to give this beautiful piece as a gift, and they will certainly be thrilled to receive it as a timeless heirloom addition to their home.
